

Certification of Recognition

Eun-Hye Lee¹, Takashi Tsujimoto¹, Moon-Hee Sung²,
Hiroshi Uyama¹

¹Graduate School of Engineering, Osaka University, Suita 565-0871, Japan. ²BioLeaders corporation, Daejeon 350-500, Korea

This certification is presented in recognition of the outstanding poster presentation at the 4th Korea-Japan Workshop on Combinatorial Bioengineering, as demonstrated by the following title.

“Increasing the Enzyme Activity by Poly(γ -glutamic acid)”

November 22nd 2008

**The Organizing Committee of 4th Korea-Japan Workshop on
Combinatorial Bioengineering**

Moon-Hee Sung, Ph.D.

Division of Biocatalysis and Bioconversion,
the Korean Society for Microbiology and Biotechnology, Korea

Ikuo Fujii, Ph.D.

Association of Combinatorial Bioengineering, Japan
